

## COVID-19 IMPORTANT INFORMATION

Please read before attending your appointment!

19th July 2021

### UPDATED INFORMATION WHEN ATTENDING APPOINTMENTS:

Your safety and wellbeing is important to me and I want you to feel totally comfortable during your procedure, so please get in touch if you have any concerns!

#### Face Masks/Coverings:

From 19th July, it is no longer a legal requirement to wear a face covering for close contact services and I'm happy to give you the option to wear one or not - however you feel most comfortable.

FYI, I will continue to wear a mask during your procedure, as I've always done.

#### Hand Sanitiser:

This will be provided for your use at both clinic premises.

#### Covid-19 Disclaimer:

You will still be required to sign a disclaimer form before commencing any treatments. This is in addition to your usual treatment consent forms.

If you or a member of your household/bubble develop a cough, fever, breathlessness, sore throat or headache in the 14 days up to your appointment, please contact me so I can obtain further information from you and advise.

#### PPE:

Your safety is important to me and I will continue to follow recommended health & safety rules when performing my treatments, in order to limit our exposure to the Coronavirus.

#### Appointment Arrival:

If possible, please come on your own to your appointment. We will be operating a one in one out appointments policy, so if you arrive early, please wait in your car until your allotted appointment time.

#### Refreshments:

Hot & cold drinks will be served in normal china cups :)

#### Toilets:

There will be toilet facilities available at both clinics. These will be cleaned between each client visit.

#### Prices:

All my treatment costs & expenses have risen considerably due to Covid and, as I haven't raised my prices for a number of years, I've now made some small adjustments which will come into effect for all appointments from Monday 16th August.

#### Payments:

I accept BACS, Credit/Debit Card, Cheque & Cash.
