

## COVID-19 IMPORTANT INFORMATION

Please read before attending your appointment!

### **Covid-19 Disclaimer:**

If you or a member of your household/bubble develop a cough, fever, breathlessness, sore throat or headache in the 14 days up to your appointment, please contact me so I can obtain further information from you and advise.

You will be required to sign a disclaimer form before commencing any treatments. This is in addition to your usual treatment consent forms.

### **PPE:**

#### **Your safety is important to me!**

I already follow strict health & safety rules when performing my treatments.

Please be assured I will adhere to the government guidelines to limit our exposure to the Coronavirus and there are several additional measures I'll be taking in the interests of client safety.

### **Patch Testing:**

As an extra precaution, I may send you a patch test for you to do at home before your treatment. You need to let me know if you have any adverse reactions, so I can advise the best way forward.

### **Appointment Arrival:**

If possible, please come on your own to your appointment as I am operating a one in one out appointments policy. If you arrive early, please wait in your car until your allotted appointment time.

### **FIRST THING:**

Please hang up your coat and wash your hands! Hand sanitizer will also be provided for you to use throughout your visit.

### **Face Masks:**

Please wear a face mask/covering on arrival. You may remove this if you are having a drink etc. & we are socially distanced. However, I will give you a disposable mask to wear when I am performing your treatment. Please let me know in advance if you have any concerns about this.

### **Refreshments:**

Hot & cold drinks will now be served in disposable paper cups. You may bring your own bottled water if you wish.

### **Toilets:**

There will be toilet facilities available. These will be cleaned down between each client visit.

### **Prices:**

Some of my treatment costs & expenses have risen considerably. However, I know that some of you will have been adversely affected financially by the Coronavirus, so I have decided to maintain my pre-Covid prices for the time being. I will, of course, let you know if this changes.

### **Payments:**

You can pay by BACS, Credit/Debit Card, Cheque & Cash. If you wish to pay by cash, please bring it in an envelope. You can count it out in front of me and then place it back in the envelope, where it will remain untouched for the following 5 days as a precautionary measure.
